NOTE FOR: Comptroller

Dear John,

As the ADD Working Group laboriously treads its way through the vineyard of personnel slots, it is becoming clear that we will record for the Director's edification increased positions necessary as well as recommended reductions. In connection with the increases necessary, I submit as an addendum to the DD/M&S Resource Package the following:

- b. On Saturday, 16 March, I reviewed with the Director the recommended objectives (MBO) for DD/M&S in FY 1975. The Director noted, commented favorably upon, and approved an objective that stated the personnel resources of OJCS would have to be increased by five percent each in FY 1975 and 1976. The current T/O of OJCS is [ ] positions. [ ] percent thereof is [ ] and, accordingly, the figure of [ ] should be included in the final report of the ADD Group.

I would be appreciative if you would make a copy of this memorandum available to my colleagues on the Working Group.
